Hi Steve,

I checked on the attached list you provided me in June 2013 (attached) and could not find the “DEFENSE DIST DEPOT/SAN JOAQUIN/SHARPE (CA8210020832)” facility. The site appeared on Rizgar’s GPRA list. Would you please indicate if HH, GE, and RCC EIs are required for the SHARPE facility?

I just want to make sure DTSC and Frank work on GPRA facilities.

Thank you very much!

Juan
